## Concrete & Asphalt ► **C160 Floor Saw**

The Clipper C160 floor saw is a rugged Clipper machine for wet or dry cutting of asphalt or concrete. The sturdy construction and top quality materials make this light floor saw reliable, steady performers under long-term, heavy use conditions. The outstanding cutting performance is obtained by the optimal weight distribution. By means of a handwheel, the operator can adjust the cutting depth, indicated by a gauge.

Clipper floor saws have a long history of proven success in applications as concrete and asphalt repairs, cutting trenches for pipes and cables and sawing traffic loop channels. When used with Clipper dry cutting laser welded diamond blades or Clipper wet cutting blades, the C160 offers the best quality and value in concrete and asphalt cutting systems.

Concrete & Asphalt ▶ **C160 Floor Saw****Features and benefits**

- ▶ Continuous depth control with a hand wheel. The depth is indicated by a gauge.
- ▶ Cutting depth up to 185mm.
- ▶ Steel integrated water tank of 30 liters with large opening for filling. Inbuild coupling for external water supply.
- ▶ Vibration reduced by heavy duty frame.
- ▶ Easily adjustable handle to the size of the operator.
- ▶ Rigid front pointer allowing operator to maintain a straight and accurate cut along his guide line.
- ▶ Ideal placement of power unit over the front axle improving balance and for ease of maneuverability.
- ▶ Easy access to the fuel tank.
- ▶ Pivoting blade guard stays permanently on the machine.
- ▶ Lifting hook in the center of gravity of the floor saw.
- ▶ Heavy duty sealed ball-bearings wheels assures long lasting, smooth, straight effortless cutting.
- ▶ Easy to serve 4 belt drive.

**Model**

Honda GX390	13 HP, 9.6 kW
Lead-free petrol	4-stroke engine, 1 cylinder

**Caracteristics**

Max. blade diameter $\varnothing$	500 mm
Max. depth of cut (500 mm)*	185 mm
Max. depth of cut (450 mm)*	165mm
Max. depth of cut (400 mm)*	140mm
Bore	25,4 mm
Blade shaft speed	2850 min <sup>-1</sup>
V-Belts	4
Sound pressure	88 dB(A)
Sound power	105 dB(A)
Water capacity	30 L

\* related to the blade diameter

**Dimensions**

Length	1230 mm
Width	575 mm
Height	900 mm
Weight	114 kg

Ergonomic working condition.

Easy blade mounting.

Depth gauge, lifting hook and adjustable handle.

Designed for use with Clipper wet or dry cutting Diamond blades..
